Vision & Mission

The Trust would like to achieve what Hazrat Sheikh-ul-Islam (Reh.) had desired in his message (Makatib)... "It is highly desirable to establish as many Makatib (schools) in villages as possible where children should be taught the basics of Islam (as deliberated in the four volumes of Mufti Kifayatullah Saheb's books 'Talimul-Islam') along with the minimum secular education like reading, writing, mathematics etc. For those children who could not go to Schools, facilities must be provided to impart education to them in evenings. Educating the Muslim poor is the need of the hour. Hence this school should spread all over."

The Holy Prophet (peace be upon him) said: There are seven deeds that if carried out by a person, their reward is always being added to his account even after he is laid to rest.

1. TO IMPART KNOWLEDGE ON ANY ONE
2. TO CONSTRUCT A CANAL
3. TO DIG A WELL
4. TO PLANT A TREE
5. TO CONSTRUCT A MOSQUE
6. TO LEAVE BEHIND A QUR'AN FOR SOMEONE
7. TO LEAVE BEHIND A PROGENY TRAINED BY HIM IN SUCH A MANNER THAT THEY KEEP PRAYING TO GOD FOR HIS SALVATION

INTRODUCTION

The religious and cultural heritage of Deoband witnessed during the dawn of twenty-first century a rather revolutionary step in establishing an educational institution to impart both religious and secular education to the Muslim girls of this town by no other person than the very descendant of the popular famous Freedom Fighter Shaikhul Islam Hazrat Maulana Syed Husain Ahmad Madani (R.A.) known as "Maulana Asjad Madani" who at that moment was impatient to undertake any marvelous venture to uplift the community in particular and the society in general.

To widen the horizons of his initiative by spreading education among the oppressed and depressed, and to undertake further such other social welfare activities which were close to his heart for the benefit of the common man who are neglected, poor, and below poverty line, a Trust with the help of his close associates was created.

More than two decades have passed-by, by the grace of Allah, the Trust in engaged in multiple services to the society.

We seek your good wishes and pray to Almighty Allah to give us more strength and guidance to serve the society better. Aameen!

مولانا حسین احمد مدنی ایجوکیشن ٹرسٹ ملک کے پچھڑے پسماندہ اور مفلوک الحال علاقوں کی ہمہ جہت دینی و دنیوی خدمات انجام دیتے ہوئے اپنے چھبیس سال پورے کر رہا ہے۔ اس قلیل مدت میں ٹرسٹ نے خصوصیت کے ساتھ لڑکیوں کی تعلیم و تربیت کے لیے ایک نیا جامع نصاب جو دینی و عصری علوم و فنون کا حسین امتزاج ہو، مرتب کر کے علوم و آگہی کی سر زمین دیوبند میں ’الجامعۃ الاسلامیۃ للبنات انٹرن کالج دیوبند‘ کے قیام سے آغاز کیا، جو پچھیس سالوں سے محسن و خوبی لڑکیوں کی دینی و عصری تعلیم کے ساتھ ان کی خواہگی و معاشرتی ضروریات کے نصاب کے ساتھ ساتھ اسلامی کردار سازی میں مصروف کار ہے۔

اس وقت ملک میں لڑکوں کے لیے بھی ایسے اداروں کی شدید ضرورت محسوس کی جا رہی ہے، جن میں دینی و عصری علوم کے ساتھ نو نبالان ملت کی اسلامی فوج پر تربیت و کردار سازی کے لیے دارالافتاء (ہائل) کا بہترین انتظام ہو۔

اس کو ذہن میں رکھتے ہوئے صرف لڑکوں کے لئے دینی و عصری تعلیم و تربیت کی غرض سے دیوبند کے قریب فتح پور میں مسلم آبادی کے درمیان ۸ گھنٹہ قیمتی قطعہ اراضی خرید لی ہے، جس میں دارالقرآن، درس نظامی، انٹر کالج، ٹیکنیکل کورس، بیہا میڈیکل سے متعلق تعلیم اور مختلف جدید فنون کی تربیت ٹرسٹ کے منصوبہ میں شامل ہے۔ یہ منصوبہ شمالی ہندوستان میں ایک منفرد اور مثالی ہوگا، اس ترجیحی منصوبہ کی تعمیر و ترقی میں ٹرسٹ ارباب خیر و فلاح کی خصوصی توجہ کا محتاج ہے۔

قابل ذکر ہے کہ ٹرسٹ نے دیوبند، جھارکھنڈ، بہار اور اڑیسہ میں دینی و عصری علوم کے امتزاج کا ایک کامیاب تجربہ بھی کیا ہے۔ نیز اس مختصر عرصہ میں ٹرسٹ نے ملک کے انتہائی پسماندہ علاقے بالخصوص صوبہ جات جھارکھنڈ، بہار، بنگال اور اڑیسہ کے ایسے دیہات اور گاؤں جہاں تک لوگوں کا پہنچنا بھی مشکل ہے، مدارس اسلامیہ، مکاتب دینیہ، صاف پینے کا پانی اور مساجد کے قیام کے علاوہ دیگر انتہائی بنیادی رفائقی امور کی انجام دہی کی طرف بھرپور مسلسل جدوجہد کر رہا ہے، جس کا مختصر خاکہ آپ کی خدمت میں پیش ہے۔

ہم خود خدانقذوں کا شکر ادا کرتے ہیں کہ اس نے ہمیں ایسے پسماندہ علاقوں میں خدمت کا سنہری موقع عطا کیا اور جملہ محسنین و معاونین کے حق میں دست بردعا ہیں کہ اللہ تعالیٰ انہیں اپنی مرضیات پر عمل کی توفیق عطا کرے۔ نیز ان کے متعلقین کو دینی و دنیوی مقاصد میں کامیابیوں سے ہم کنار کرے اور انہیں اخلاص کی دولت سے نوازا کر اپنے فضل و کرم سے ہماری ان ٹوٹی پھوٹی خدمات کو قبول کرے۔ آمین۔

FROM THE PEN OF
THE CHAIRMAN

With praise to God and Salutation to Prophet,

Maulana Husseain Ahmed Madani Educational Trust is going to complete 26 years in the multi-dimensional spiritual and material basic services for the backward, under-developed and worse-off areas of the country. Within such a short span of time, it has compiled a new and comprehensive curriculum particularly in order to educate and train the girls and introduced it at the Jamia Islamia For Girls of Inter College, Deoband, a land known as the cradle of knowledge and awareness, that is engaged with the curriculum based on the religious and modern literacy and social requirements of the girls as well as their Islamic characterization.

At the moment, the need for some institutions is being acutely felt where the facility of better hostels is available for spiritual and modern education of the boys and their character building in accordance with Islam.

The trust has been successful in bringing the religious and modern sciences together in Deoband, Jharkhand, Bihar and Odessa. In its backdrop, a year before, with an aim to impart religious and modern education on boys only, we occupied a highly prized 78 bigah plot of land surrounded by Muslim localities in Fatehpur, near Deoband. Under this project, facilities of Daar-ul- Quraan, the Dars-e-Nizaami, Inter College, Technical course, paramedical education and the training for different modern arts will be available. This project will be unique and exemplary all over the North India. The construction work stands in need of special attention of donors and philanthropists.

The trust, within a short span of time, has made massive efforts to set up Islamic schools and madrassas, mosques, and provide drinking water across the extremely backward, desolate and far-off areas of states particularly Jharkhand, Bihar, West Bengal, and Odessa. A brief account of the steps taken is being presented herein.

We thank Holy God that He blessed us with the golden chance to serve the people of so backward areas and pray for our donors and supporters that may the Almighty God confer on them the will to follow His path, and bless their relatives with success in achieving their spiritual and material goals. May He bestow us the prize of sincerity and accept our trivial and petty services.

JAMIA ULOOM-E-SHARIA-WAL-ASARIYA

COLLEGE OF ISLAMIC & CONTEMPORARY STUDIES

A SYMBOL OF OUR COLLECTIVE ASPIRATIONS & CENTER OF COMPREHENSIVE EDUCATION

Village Fatehpur, Madani Nagar, Deoband (UP)

Alhamdulillah Rabbil 'Alamin Wassalatu Wassalamu 'Ala-Asyrafil Anbiya'e Wal Mursalin Saidina Muhammadin Wa'ala Alihi Wasahbihi Ajma'in

Prophet Muhammad (PUBH) had exhorted many Duas (supplications) to the Ummah and among them this one is the most comprehensive Dua:

"O Allah, set right my religion, which is safeguard of my affairs; and set right my world, wherein is my living; and set right my next life, to which is my return, And make life for me an increase in all good and make death a relief for me from every evil." (Sahih Muslim 2720)

Thus, for every Muslim religion, world and Day of Judgment are the most important part of life and world which is a temporary phase of life; one should make dua to rectify worldly affairs and to struggle with his resources for the betterment of his life.

In the light of this, if we put spotlight on this region of north India, you will see that it has always been a hub of Ulema (religious scholars), learned people, sufis 'awliyā, mashaiqs and thinkers. Even today, the region is known as the outstanding seat of academic learning not only in India but also in the whole Islamic world. Furthermore, the unmatched contributions of **Darul Uloom Deoband** and its blessings and strong influences on the people have enhanced its stature manifold. A person, who has little knowledge about the Indian subcontinent's political and cultural history, knows very well that the time when the Darul Uloom Deoband was established by our forefathers, the old Madaris in India had almost vanished and there was no central seminary to spread the Islamic knowledge and sciences.

Around 175 years ago, the **founder of Darul Uloom Deoband, Hazrat Maulana Muhammad Qasim Nanautawi** had made it amply clear **that they (Ulema) were not against the modern education but their endeavor for Islamic science could be seen through this example.** He said, "The life of a human being is like a building (House) and attention is paid to the portion which might fall down due to very bad condition".

In the same vein, speaking at a award distribution ceremony of Darul Uloom Deoband about 70 years ago, **Sheikh-ul-Islam, Maulana Syed Hussain Ahmad Madani** had said **when a student secured less marks in the Hindi subject, "A time will come in India when a person does not know Hindi would be considered as illiterate."** Today, Hazrat Maulana Madani's words have come absolutely true.

Our most respected and illustrated luminaries Hazrat Qasim Nanautawi and Hazrat Maulana Madani's thoughts and statements offer us ample idea that they acknowledged the importance and significance of modern education but they gave preference to the Islamic sciences because it was the need of the hour.

Today, the times have changed as several madrasas (schools) have opened up imparting Deeni taleem to children. There is also no dearth of modern schools. However, it is a matter of concern that there are no schools which impart Islamic sciences as well as modern subjects in an Islamic environment. Because of this, our children are compelled to study in an anti-Islamic setting and environment which should be a serious and disturbing situation to us. It cannot be overlooked and ignored as it has disastrous consequences on our religious identity.

We must keep this point in mind that nations are built on the education and right upbringing of new generations. In this backdrop, **Maulana Hussain Ahmad Madani Educational Trust Deoband** has evolved a comprehensive and magnificent education plan and project after consulting learned ulema and intellectuals having Islamic thinking.

The grand education project will be a milestone in the schooling of our children as it will be a wonderful amalgamation of Islamic (Deeni) and modern (secular) education.

The core curriculum of the project will consist of following sciences:

- (1) Tahfeezul Qur'an al-Kareem
- (2) High school and inter-college
- (3) Language courses
- (4) Dars-e-Nizami
- (5) Institute of paramedical and other professional and technical courses.

Besides teaching Islamic ethics, erecting hostels will also be the part of the project which will benefit both streams of students.

To make this ambitious plan a reality, **a piece of 78 bigha land adjacent to Deoband which is located at a very pleasant and charming surroundings has, by the grace of Allah, been acquired. Now the trust wants to commence construction work.** The Trust rightly hopes from the people, who take interest and extend support to the community causes, will come forward and realize this dream project which is the need of the hour.
